# DYNAMED TRIAL

## NSCCH 60 day Trial

August 11 to mid October, 2009

<http://search.ebscohost.com/login.aspx?authtype=ip,uid&profile=dynamed>

Dynamed is an evidence-based, clinical reference tool that is available from NSCCH locations, from home, from a PDA, and for unlimited users. Highlights of Dynamed include:

- Updated Daily
- Conclusions are based on **best available evidence**
- Fast and easy interface
- Nearly 3,000 topics
- Linking to EBSCOhost full-text and PubMed
- Integrates into an EMR system - see demonstration at <http://hldemo.ebscohost.com/SpringfieldHospital/emr/hl7.jsp>

### Access Dynamed

- At work: via NSCCH Library Services Intranet
- Remotely: <http://search.ebscohost.com>
  - Username: clinical
  - Password: dynamed2010
- PDA/iPhone:  
Load the trial version on to PDA. Dynamed is available on the iPhone and many other PDA devices. Instructions are available on the Dynamed site, and you can familiarise at <http://www.ebscohost.com/dynamed/technical.php>

### Learn more about Dynamed

- **How to Use Dynamed** link on Dynamed site provides help and tutorials
- Dynamed is part of the EBSCO Clinical Point-of-Care suite, which you can learn about at <http://www.ebscohost.com/thisMarket.php?marketID=16>. Dynamed and all resources in this suite adhere to the 7-step evidence-based methodology.

### Contacts during trial period

If you require assistance or further information please contact

- Gillian Wood Area Library Manager 0434 568 497 [gwood@nsccha.health.nsw.gov.au](mailto:gwood@nsccha.health.nsw.gov.au)
- Suzanne Lewis 4320 3623 [slewis@nsccha.health.nsw.gov.au](mailto:slewis@nsccha.health.nsw.gov.au)
- Your hospital library – see details at top of page

### Feedback

We value your feedback, please email us at [douglaspiperlibrary@nsccha.health.nsw.gov.au](mailto:douglaspiperlibrary@nsccha.health.nsw.gov.au)
